SOFTWARE LICENSING AGREEMENT

Subscription Licence for RouteLedger Cloud

This Software Licensing Agreement (the "Agreement") takes effect on 1 July 2026 (the "Effective Date") and is made between **Lumora Cloud Systems Inc.**, whose fictional office is at 400 Harbourline Drive, Port Calder (the "Licensor"), and **Tarnwell Logistics Pvt. Ltd.**, whose fictional office is at 7 Foundry Square, Eastmere (the "Licensee").

1. Licence Grant

1.1 The Licensor grants the Licensee a non-exclusive, non-transferable licence to use the RouteLedger Cloud software for its internal business operations, for up to 250 named users.

1.2 The Licensee shall not reverse engineer, resell or sublicense the software.

1.3 If the Licensee exceeds its licensed user count, it shall pay for the excess users at one hundred and fifty percent (150%) of the then-current per-user rate, backdated to the first day of the overuse.

2. Subscription Term

2.1 The subscription term is thirty-six (36) months from the Effective Date, ending on 30 June 2029.

3. Renewal

3.1 The subscription shall automatically renew for successive twelve (12) month terms unless the Licensee gives written notice of cancellation at least one hundred and twenty (120) days before the end of the current term.

3.2 The annual licence fee for each renewal term shall increase by seven percent (7%) over the fee for the preceding year.

4. Fees and Payment

4.1 The Licensee shall pay an annual licence fee of USD 96,000, payable in advance within thirty (30) days of each invoice.

4.2 Implementation services are charged separately at USD 150 per hour.

4.3 Fees are non-refundable, including where the Licensee stops using the software during a subscription term.

4.4 If an invoice is more than fifteen (15) days overdue, the Licensor may suspend access to the software until payment is received.

5. Service Availability and Support

5.1 The Licensor shall use commercially reasonable efforts to keep the software available. No specific uptime percentage or service credit is set out in this Agreement.

5.2 Support is available by email from 9:00 to 18:00 on business days.

6. Data and Security

6.1 The Licensee owns all data that it uploads to the software.

6.2 The Licensor shall apply appropriate technical measures to protect the Licensee's data.

6.3 This Agreement does not state how long the Licensor will keep the Licensee's data after termination or in what format the data will be returned.

7. Termination

7.1 Either party may terminate this Agreement if the other party commits a material breach that remains uncured sixty (60) days after written notice.

7.2 The Licensee may not terminate this Agreement for convenience during the subscription term.

7.3 If the Licensee terminates early other than for the Licensor's uncured material breach, all remaining fees for the subscription term become immediately due.

8. Confidentiality

8.1 Each party shall protect the other's confidential information with at least reasonable care and shall disclose it only to personnel who need to know it.

8.2 These obligations last for three (3) years after termination, except that trade secrets remain protected for as long as they qualify as trade secrets.

9. Liability and Audit

9.1 The Licensor's total liability under this Agreement shall not exceed the fees paid by the Licensee in the three (3) months before the event giving rise to the claim.

9.2 The Licensor shall indemnify the Licensee against third-party claims that the software infringes intellectual property rights.

9.3 The Licensor may audit the Licensee's use of the software once a year on ten (10) business days' notice. If an audit shows underpayment of more than five percent (5%), the Licensee shall also bear the audit costs.

10. General

10.1 This Agreement is governed by the laws of the State of New Calder.

10.2 The Licensor may update these terms by posting a revised version on its website.
